Mayor Melody Thompson and Councilor Robert Bitter talk about the development of Legacy Park.

Canby Mayor Melody Thompson officially dedicated Legacy Park during Saturday's ceremony. About 20 people attended the dedication of the new bathrooms and covered picnic area of the neighborhood park next to Ackerman Middle School.

Located at 1200 SE 13th Ave., Legacy Park was named to recognize the many contributions of citizens and organizations involved in its development. The park is six acres in size and was built in phases as funding and other resources became available over the last five years.

The park includes two soccer fields, two playgrounds, a walking path, magnolia grove, parking lot, restroom and picnic shelter.
