Chairman Milne inquired if we had received a check from Gustafson Insurance for a Fun Run sponsorship. Board member Driggers said he couldn't remember, and that he would find the answer.

There was a discussion concerning the proposed Tax Base, and Community Center Bond election and possible names for a campaign. We discussed possible ideas that played on the city name. The Board discussed presenting Public Service message for the Canby Area Transit buses, and for the local cable channel. Board member Malloy presented fund raising ideas that included a rubber duck/rubber beaver race, a Halloween Zombie event/dance, and an "End of the School Year" event at the skate park complete with a DJ.
