

Strengthening and uniting our community through parks, recreation and open spaces.

CAPRD Meeting Minutes  
March 11, 2010  
City Hall, 7:00

Attending: Don Morgan, Liz Thortenson, Janie Malloy and Joe Driggers.  
City Liaison: Matilda Deas

Previous meeting minutes: Chairman Milne was out of town and the February minutes will be submitted at the April meeting.

Bank Balance: \$1562.42

Board member Driggers chaired the meeting in Boar member Milne's absence.

There was a brief discussion about last months meeting. We had Debbie Pearson, and Vicki Pounds from Canby's youth sports program attend.

Matilda Deas updated the Board on the time line for the completed CPW report. It is due to be finished in the next several weeks. We expect to use this report to prepare our initial presentation to the community supporting the need for a tax base for the district, and the need for a community center. She also informed us of a 3 -D presentation program that we will use with the anticipaed CPW information. Board member Thorstenson is going to work with Matilda to develop that presentation. Matilda is going to bring the Board tentative dollar amounts for services so that the Board can begin to create a tax base proposal for the voters.

Board member Morgan gave us a county update report that included the anticipated personel changes that will impact the county park management. Board member Morgan has 28 work days left until his retirement form the county is official.

Board member Thorstenson has been updating the Website, and has had requests for more current minutes to be posted. She also asked Board member to provide current information for the profiles posted on our Website. Board member Driggers volunteered to write Board member Morgans profile. She is also researching how to set up a link that individuals can donate online to support CAPRD.
